

Summer term in Year 5!

Summer 1:

Having a chance to explore the local area in current times and Norwich of yesteryear was brilliant. Our lessons looking at the topic of 'community' through Geography and History gave a great perspective of the city. Through other lessons, we explored the importance of community to humans all over the world, with a link to our school values.

Year 5 were a credit to the school on all our trips – well done to you all!

The Ancient Greeks!

Our topic this half term is focused on answering the question "To what extent were the Ancient Greeks united, and how did their divisions and achievements shape their lasting legacy?"

This topic will build on the learning from previous school years and through a variety of cross-curricular links, we will bring together our learning, so we have our own answer to the topic question.

P.E. Days

5BRB – Wednesday and Thursday.

5C – Tuesday and Thursday.

5G – Tuesday and Thursday.

5U – Monday and Tuesday.

Children are expected to wear:

- A plain white/blue/black top (polo or t-shirt)
- Black shorts or leggings or jogging bottoms
- Trainers that provide your child with good stability.

Children should come to school on P.E. days dressed in their kit. On colder days, children need to wear a jumper and bring their coat too. This can be a school jumper or a plain blue, black or grey top.

Water bottles and snacks

Please ensure that all children have a named water bottle in school. Children are allowed to bring in a healthy snack for morning break (no nuts or kiwi).

Learning at home

We ask that you spend 10-20 minutes each day reading with your child. The benefits of this are wide-ranging in helping their vocabulary and knowledge of the world. If you need books at home, please speak to us and we can support you with finding books.

It is important for pupils to continue practicing their times tables at home to build on their learning from last year. This will help them with new learning this year to link their understanding. This could be written, verbally or through playing TTTRS.

Curriculum Map

A curriculum map will be sent out via email and ClassDojo and is also available on the school website. The curriculum map provides you with a brief overview of our learning for this half term. If you can support any of our topics in anyway at all, please chat to your child's teacher or send them a message on ClassDojo.
